APPLICATION FOR GRANT UNDER THE SCHEME
DISSEMINATION OF INNOVATIVE TECHNOLOGY (DIT)

Under this scheme, Innovative technologies are to be disseminated by educational / research institutions of our state through training / workshop program for the benefit of target groups such as farmers, fishermen & women, self-help group members and others. A sum of Rs.50, 000/- may be provided for one programme with beneficiaries of about 25 to 50 with a duration of 3-5 days.

Guidelines for DIT Programme

1.   **Objective:**

Objectives of the programme is to disseminate useful technologies through training / workshop to the end user through educational and research institutions

2.   Programme includes:

Dissemination of Innovative Technologies in the field of Agriculture, Veterinary, Social Sector, Environment, Health and others. Preference is given to Agriculture, Veterinary Sector and Social Sector resulting in improvement of skill and livelihood opportunities.

3.   Resource Persons:

Mainly from the institute / University / College where the programme is organized. Experts from other institutes may also be involved.

4.   Target Group:

Participants are Farmers, Self-help Group Members, Fishermen, Rural and unemployed youth and other end user depending on the sector and technology.

5.   Programme schedule:

Programme is organized for a period of 3 to 5 days with lectures, demonstration and field visit. The number of participants may vary from 25 to 50 depending on the nature of the programme and other requirements.

6.   General:

Co-ordinators meeting will be conducted at the Council Office to sensitize and explain the Programme. It should be conducted by the implementing institution and report and U.C. to be submitted.
